

The Balance and Libra are Getting Upgraded for 2010!

New upgraded features for 2010 without a price increase

- All new cosmetics
 - SureLock™II added
 - Flat valves replace traditional high profile valves
 - Stainless steel triloaders
 - New shoulder swivel buckles
 - Redesigned pocket with upgraded zipper
- In addition, the Libra will now also be offered in a second color: black with pink highlights.

We will continue to offer the "special package" of either the Balance or Libra with an Airsource 3 installed and a Squeeze Lock knife at a reduced price. The Libra "special package" will now include the black/pink color option.

As we wind down our inventory of the previous Balance / Libra, the Minimum Retail Price Policy no longer applies.

We anticipate shipping the new models the week of April 12th.

New Calypso for 2010!

Aqua Lung is proud to introduce the fifth generation of the popular Calypso regulator.

The same first stage that you have come to trust is now coupled with the all-new "tool free" second stage. This stylish, easy-breathing regulator is not only attractive for our Partner Centers but is also a good choice for new divers too. For those in colder climates, you'll be glad to know that this work horse regulator is coldwater compatible having surpassed the CE norms for cold water.
